Plant Health  
Agency**

## **List of available Export Health Certificates for animals (including birds), animal products and germplasm**

List last updated: 23 November 2015

### **Introduction**

This list is compiled by the Animal and Plant Health Agency and includes all Export Health Certificates (EHC) available on the date specified above. The list will be updated at the start of each week.

The EHCs are sorted alphabetically by Commodity Sector then by Country then numerically by EHC number.

The Commodity Sectors used are:

Equine (horses, ponies, asses, mules and hinnies)

Fish and Fishery Products (Live aquatic animals, fish and fishery products)

Germplasm (semen, ova and embryos)

Live Animals (birds (including pet birds), poultry & hatching eggs; zoo animals; research animals and ungulate animals)

Livestock (cattle, pigs, sheep and goats)

Meat & Dairy (meat, meat products & preparations; milk & dairy products; composite products containing meat & dairy for human consumption)

Miscellaneous Products (petfood; hides, skins & wool; pharmaceutical products and other miscellaneous products not for human consumption)

Pets (domestic animals including cats, dogs, ferrets, hamsters, gerbils, rabbits, guinea pigs, tortoises & reptiles and chinchillas)

The Animal and Plant Health Agency (APHA) will continue to maintain and update this list on a regular basis but you are advised to confirm availability and obtain a specimen of the EHC from APHA prior to submitting an application, making travel plans or confirming orders to ensure you are able to fully meet the requirements for export to the destination country.
